

ALFA TECHNICAL INDUSTRIES LIMITED

HEALTH & SAFETY POLICY STATEMENT

This is the Health and Safety Policy Statement of the Alfa Technical Industries Group of Companies, as required under the Health and Safety at Work etc. Act 1974.

1. The GENERAL POLICY of the company is to ensure the health, safety and welfare at work of all members of staff, contractors, visitors and members of the general public who may be affected by the group activities.
2. By providing and maintaining a working environment that is, so far as is reasonably practicable, safe and without risks to health and which is satisfactory as regards facilities and arrangements for the welfare of staff at work, and complies with all the necessary legal requirements.
3. By ensuring, so far as is reasonably practicable, that plant, machinery, equipment or appliances for the time being on the company premises are safe and without risk to health, safety and welfare at work of all staff.
4. By providing information, instruction, training and supervision in the use of such plant, machinery and equipment as is, in the opinion of the company, necessary.
5. By ensuring that the use, handling, storage and transport of articles and substances are, so far as is reasonably practicable, safe and without risks to health, safety and welfare of all staff.
6. By consulting with the workforce through the Health and Safety Committee and by other means on matters of health and safety.
7. By the identification of all hazards and the assessment of risks which may affect people, especially young persons, with a view to reducing them to an acceptable limit.
8. By a regular review and up-dating of this policy.
9. By ensuring all employees have access to a copy of the Health and Safety Policy.
